Hotels and hostels?

Please ask us if you prefer to stay in a hostel or a hotel. We can usually help you. A booking fee is charged!

Homestay providers are usually families or mature couples whose children have grown up.

Students are expected to integrate and will be treated as 'one of the family' as far as possible. This enables you to gain a better understanding of British culture and customs, and gives you the chance to improve your English.

The College's Accommodation Service inspects each Homestay regularly and only the best are chosen to host our students.

We will do everything we can to ensure that you are happy with your accommodation both before and during your stay.

"I am really glad I chose to stay in a Homestay. It is very helpful for improving my English with native speakers. I often go out with the son which means I meet other English friends and learn more about English customs and culture."
